

EXHIBIT & A LA CARTE SPONSORSHIPS

EXHIBIT

Purchase a booth space to engage with your target audience face-to-face, demo your latest video or interactive, and hand out your branded giveaways. All exhibitors will be listed on the conference website and app.

BAG GIVEAWAY

Make sure every attendee gets your message. Send us your reports, flyers or branded giveaways and we'll put them in the conference bags.

INDEPENDENT RECEPTION

Help build the EJ community by hosting an independent reception in the Royal Sonesta on Thursday night. You purchase the food and/or drink, and we'll provide the guests. **Spots are very limited!**

BEAT DINNER

NEW FORMAT! This year, you choose the topic, restaurant, and menu. SEJ will advertise your dinner event in a special ad in the program, list it in the app, and promote it to the attendees. You decide whether it is a hosted or no-host dinner and control the RSVP list. **Spots are limited!**

PROGRAM ADVERTISEMENTS

You'll be in everyone's faces if you advertise in our printed program book.
